

Agrowell

We Bring
The Goodness of Nature
to The World

AGROWELL

About Us

Our Container Export Volume 2.000+

Agrowell is a global trade goods supplier delivering products grown in Turkey's fertile soils by working devotedly. We deliver **high-quality agricultural, food, and non-food export products** to our global customers. Our high-performance products generously **reach the world through innovation and technology** to every point.

With its contracted, reliable, and modern production facilities and quality products, Agrowell obtained **20% of Turkey's pasta export in 2021** while increasing the number of countries it exports to continuously.

Over 30 Years of Experience

PRESENT IN EVERY ASPECT OF LIFE

Always Striving to Be Better

Tor Holding made its breakthrough in the **construction, investment, tourism, and agriculture sectors** starting in the early 1990s.

The group of companies, completing its **digital transformation by focusing on technology and innovation** at the beginning of the 2000s, has become a community growing with innovative approaches. Today Tor Holding promotes **high-performance culture and ecosystem** collaborations in all its sub-branches and creates added value for all stakeholders with sustainability principles.

Our Philosophy

We care about providing **high-performance products** to the whole world. While offering high-quality products, we do not neglect to **support local farmers and small businesses**.

By preserving our sustainability principle, we produce **alternative solutions to leave a better world for future generations** and to transfer what we take from the soil back.

Our Services

Agrowell is involved in all export processes; **production, packaging, customs clearance, and logistics**, ensuring that the customer experience is always at a superior level.

OUR SERVICES

Production Control

We are in the production phase of every product we supply and continue natural, healthy, and sustainable production models.

OUR SERVICES

Packaging

With the packaging methods we use, we **increase the shelf life** of the products and ensure that they reach our customers in **safe packaging**.

Customs Procedures

We offer full support at the customs stages of the export process.

OUR SERVICES

Logistics

We use **11 different methods** in the INCOTERMS legislation for product delivery and offer our customers the freedom to choose the delivery method that best suits their needs.

Our team of experts determines the schedule for the delivery with the most convenient methods. Thus, the orders are delivered ideally **without loss or waiting for maturation.**

Grown **by Nature,**
Consumed by the World
